DO NOT FOLD NAME UNDER EVEN THOUGH IT SAYS TO. Exhibitor's identification and title of picture (if titled) must appear above or below the exhibitor's tag. Titles, if "catchy" may enhance the score. Some judges prefer not to have titles read.
15. Name, previous awards, seals, ribbons or any other identification may not appear on the front of the mount.
16. Prints in frames, under glass, plastic covers or shrink wrap are not acceptable. No hangers, rough, raised or sticky substance on the back or front of prints.
17. If a print is made completely by the exhibitor from exposure to completed exhibit, it may be so stated on back of the print.
18. All prints must be made from negatives, transparencies, or digital images exposed after June 2001.
19. Prints previously displayed at the Indiana State Fair may not be entered again.
20. No 2 prints shall be of the same subject matter unless treatment is such as to produce two entirely different photos.

21. Photo entries will be verbally critiqued by the judges on the last Sunday of the Fair. To participate, exhibitors must fill out a request form and attend the Critique. Request forms are available in the photography area anytime from opening day through the last Saturday of the Fair before 6:00 pm. A release form must be filled out at the critique.
22. The Administration of the Home and Family Arts department reserves the right to disqualify prints they deem to be in poor taste, or to remove after hung, if public complaints arise.
23. Unless otherwise specified, permission to reproduce any accepted print will be assumed.
24. All possible care will be taken to safeguard the exhibits, but no responsibility will be assumed by the Indiana State Fair Management for any loss or damage in transit or while in our possession.
25. In the event of conflict between general and specific terms and conditions, the latter will govern.
26. Agreement to all terms and conditions here stated is understood when the exhibitor submits his/her entries.
27. The original exposure and image must be that of the exhibitor. Copies of photographs or photographs taken during an instructional class will not be allowed.
28. **TAKE NOTE - DIGITAL VS. FILM**  
Anything that can be done in a dark room, on an enlarger, can be done on a computer, cropping, color correction, parallax, etc. If an image is digitally altered beyond what can be done on the enlarger, adding different background, removing buildings or people, etc., it should be entered in the Creative/Experimental category. We realize this will be difficult to enforce. We ask your cooperation. We also realize the person with the expensive digital camera and high powered computer has some advantages. By the same token the person with the expensive large format film camera that takes his processing to a custom lab has many advantages over the person with the inexpensive 35mm camera doing their processing at the local drug store.
29. On a 3" x 5" card print location of picture and any other pertinent information. Use one card for each photo. This will help answer the many questions we receive. Cards will be filled alphabetically. Put name at top. Do not attach to back of prints.

**THE INDIANA STATE FAIR, INDIANA STATE FAIR BOARD, INDIANA STATE FAIR COMMISSION AND ALL EMPLOYEES ASSOCIATED WITH EACH ORGANIZATION ASSUME NO LIABILITY OF CLAIMS FOR THE SAFETY OF EXHIBITS WHILE ON THE FAIRGROUNDS. ALL ENTRIES ARE TENDERED AND ACCEPTED UPON THAT CONDITION.**

## JUDGING PROCEDURE

A 3-person panel composed of professional photographers will judge all photographs in each classification. The judges will have the authority to decide any question not specifically covered by these terms and conditions and their decision will be final. Judges will not reclassify prints.

## WHAT JUDGES SAY THEY LOOK FOR IN PHOTOGRAPHS:

Impact, center of interest, composition, technique, print quality, presentation, story telling, universal appeal, and does it create a feeling or emotion.
